

Friends of Dove and Derwent

In the summer of 2011, the 22nd World Scout Jamboree will be held in Sweden. 40,000 Scouts and Guides will be taking part from all over the world. The UK Contingent has been fortunate enough to have been awarded 4000 places; with Derbyshire County Scouts and Midlands Guides having secured two units to attend the Jamboree. A unit consists of 36 Young People and 4 members of the leadership team. Derbyshire Scouts and Midland Region Guides are thrilled to be able to take 72 Young People to the Jamboree and we know that every Unit member will have an absolutely amazing experience.

Currently, hard work is taking place in order to prepare the Unit members for Jamboree life, including unit activities, fundraising events and weekend training camps.

One way of fundraising to help support both the Units and members is through our 'Friends of Dove and Derwent' scheme. If you wish to support us choose one of the packages below and return the slip with payment to a unit member.
